SOCIAL PRACTICE: Compose dialogs and interventions for a silent short movie.

NAME: _____

1 Complete the conversation with words from the box.

| | | | | |
|-------|--------|--------|------------|-------------|
| genre | really | rather | would like | interesting |
|-------|--------|--------|------------|-------------|

Susan: I really liked the silent movie Professor Barton showed us! The time in history was very

1) _____! Don't you think so David?

David: Hmm ... I didn't 2) _____ like it. I would 3) _____ watch movies with actors speaking!

Susan: Why? Don't you like this 4) _____ at all?

David: No, Susan, I think it is boring! The story was fine, but I 5) _____ to watch it with sound effects and to listen to the actor's voices!

Susan: OK, but anyway we have to write a script for a silent movie, so let's get to work!

David: Let's go!

2 Underline the correct definition of the movie words in the sentences.

- The plot of a movie is:
 - the most exciting scene in the movie.
 - the story line.
 - the main character.
- The climax of the movie is:
 - a movement that is used to communicate actions.
 - the time and place of a movie.
 - the most exciting or important event in a scene or movie.
- The villain of a story is someone who:
 - is the main character.
 - is one of the main characters and is a bad person.
 - is always the main male character who is a good person.
- Facial expressions are very important because they:
 - communicate feelings through the look of a person's face.
 - they are movements used to communicate actions or attitudes.
 - they are written to show dialogues or narrate events.
- The titles or intertitles in a movie are always:
 - words that are written in the native language of the actors.
 - words written on the screen to show a dialogue or narrate.
 - words related to the main topic of a specific scene.

SOCIAL PRACTICE: Exchange compliments, likes, and dislikes in an interview.

NAME: _____

1 Read the conversation and circle T (True) or F (False) below.

Sara: Hi Michael! Are you ready for the band session?

Michael: Not really, I think that I am not going to participate; I prefer to take part in the soccer match.

David: But it's going to be fun! I like soccer too, but I really I love to play the guitar and sing country songs!

Sara: Really? I didn't know you liked that music? I love it too, and I'm more than ready for the playback!

David: Oh yes! I have listened to this music since I was little, and I like country music more than pop music.

Michael: And who is your favorite country singer?

Sara: I bet it is Kenny Rogers!

David: No, I prefer to listen to Blake Sheldon!

Sara: Me too! And he's so handsome!

Michael: Oh! Come on! We're talking about music, not about the singer's looks!

- 1 Michael and David don't share the same interests and likes. T F
- 2 Sara really enjoys singing and dancing. T F
- 3 David likes country music more than pop music. T F
- 4 Michael mentions that he really likes to participate in the school band. T F
- 5 David likes to listen to Kenny Rogers and other country music singers instead of Blake Sheldon. T F

2 Read the text and answer the questions.

David likes country music more than pop songs. He enjoys listening to Blake Sheldon's songs. He researched that folk songs are traditional songs or music, and many of them are from unknown composers. He enjoys singing these songs at family reunions. David also enjoys listening to country music with his family.

- 1 Sara said that David prefers folk songs, didn't she?

- 2 David loves country music, especially if the singer is Kenny Rogers, doesn't he?

- 3 Sara mentions that David really likes to attend rock concerts, didn't she?

- 4 Folk songs are fun to sing at school reunions, aren't they?

- 5 David likes to sing country songs with his family too, doesn't he?

SOCIAL PRACTICE: Agree with others a travel itinerary.

NAME: _____

1 Read the sentences and circle the best option.

1 Monarch Butterflies come to Mexico each year.
David and Mary will go to visit this beautiful place next month.

The underlined sentence refers to:

- a future plans.
- b a main idea.
- c planning a field trip.

2 We need to choose the activities for our school's field trip to Toluca.

- a the destination.
- b the things to take.
- c the schedule.

2 Name three things you need to take on a field trip to the beach:

- 1 _____
- 2 _____
- 3 _____

3 Choose one word from the box to complete each sentence.

similar will However Excuse me shall

- 1 She has been sick all week. _____, she will go to the Art Exhibition at the Museum.
- 2 _____, could you explain the instructions again, please?
- 3 In England they say: "I _____ call your parents tonight", and Americans say: "I _____ call your parents tonight".
- 4 Let's go to a different place! The one on the poster is very _____ to the one we went to last summer.

SOCIAL PRACTICE: Read classic tales.

NAME: _____

1 Read the story and then answer the questions below.

The Dog and the Bone

Once upon a time, Clancy the dog was walking down a country road when suddenly he saw a nice, tasty ham bone by the side of the road. It was obviously an abandoned bone because there were no other dogs around, so Clancy decided to take it home with him. On his way home, he had to go over a bridge to cross a small river. He looked down at the sparkling water, and he saw an amazing thing - a dog in the water with a big bone in its mouth! "I want that bone, too!" thought Clancy. He didn't like swimming, so he leaned over the side of the bridge toward the other dog, and tried to grab the bone. *SNAP!*

Went Clancy's teeth! *SPLASH!* Went Clancy's bone as it fell into the water and disappeared!

- 1 Who was walking down a country road? _____
- 2 What did he find while walking on a country road? _____
- 3 What did he see in the sparkling water? _____
- 4 What is this story based on? _____
- 5 What is the moral of the story? _____

2 Complete this summary of the fable *The Dog and the Bone* with the *-ing* or *-ed* form of the words in parentheses.

Clancy the dog, was 1) _____ (walk) down a country road. Clancy had to go over a bridge to cross a small river, when he saw an 2) _____ (abandon) bone. He 3) _____ (decide) to take the bone home with him. He looked in the 4) _____ (sparkle) water and saw another dog with a bone in his mouth. Clancy wanted that bone too! He didn't like 5) _____ (swim), so he leaned over the side of the bridge toward the other dog, but the bone fell into the water!

SOCIAL PRACTICE: Produce constructive forecasts about others.

NAME: _____

1 Complete the predictions about the future of books.

1 I think books _____ (be) a thing of the past. E-books _____ (become) the rule, not the exception.

2 I think books _____ (not disappear). In the future people _____ (not buy) them in stores, they _____ (buy) them online.

2 Complete the sentences with *will* or *going to*.

- 1 Look, the sky is sunny. It _____ (not rain) today.
