7 He takes the critics' opinions seriously / dreadfully.

## **GRAMMAR DRILL**

## **INTENSIFIERS (NEGATIVE)**

Last week, the weather forecast on the news was not good 1) It predicted 2) strong winds and hard rain. It warned people to stay at home because these rains and winds were caused by an approaching hurricane. Three days later the hurricane hit the city. The first day the winds were 3) severe and it rained all day. At night the weather changed from 4) rainy to a humid cold that made your bones ache. We couldn't warm up. We were also 5) scared by the sound of the wind. The weather has never been so bad. Fortunately, the hurricane passed quickly. We hope not to experience s anything similar 6) !  7 Write a weather forecast using seven negative intensifiers.  1 3 6	6	Complete the paragraph with negative intensifiers.	<b>6</b> bitterly
