

WH- QUESTIONS

Question word	Use	Structure: question word + verb + complement
What	to ask for information about something or someone	What is your e-mail?
Where	to ask about a place or location	Where are you from?
Who	to ask about a person	Who are those boys?
How	to ask about the way in which something happens	How is your mother?
When	to ask for information about time	When is the race?
Why	to ask for a reason	Why is the street closed?

If we combine *How* with other words, it has many different uses:

- *How long...?:* for time or distance: **How long** is the class?
- *How old...?:* for age: **How old** is your older sister?
- *How many...?:* for quantity: **How many** sandwiches can you eat?
